1. Welcome

Keith Emsden welcomed everyone to the meeting.

2. Minutes of last meeting

Agreed as a true record.

3. Matters arising

No matters arising.

4. Treasurers report

5. News from the Surgery

Christine is back at the surgery working part time.

There is a vacancy for a part time cleaner – 1.5 hours each night, Monday to Friday.

On Wednesday the surgery had a visit from the CQC. The inspectors were there all day and saw all aspects of the surgeries work. Once a report is written the surgery will receive a score (rather like schools and ofsted). One comment made was that they were very impressed with the PPG (suggested it was outstanding) and also commended us on having young people on the PPG and also the Youth Clinic as part of the surgery.

6. CCG December Meeting at New York Stadium Rotherham

Keith and Sue gave a brief update on the CCG and the meeting they had attended with others from the PPG. As part of the group discussions, lack of communication and too much red tape were the main comments made. Ian MacMillian wrote some poetry, with Tony Husband drawing cartoons to illustrate the feedback from the people present.

7. Any other business

Helen agreed to do a talk about the role of the Community First Responders at the January meeting and Lyca will talk about the role of the Diabetic Nurse at the February meeting. As March is the AGM, Keith has invited Helen Wyatt from the CCG to come along and she will give us an insight into what the CCG is all about.

8. Date of next meeting - Wednesday 20th January 2016 starting at 6pm
