3. Any Matters Arising

There were no matters arising.

4. Guest Speaker - Heather Sheldon

Heather came and spoke to the group about her own and her family's experience of the chromosomal condition Dup15Q. She explained the struggles they had to overcome and the restrictions on what they could do as a family.

6. Vice Chair/ Secretary's Report

Alicia mentioned about the mental health ambassadors the sixth form at Wales High School were currently setting up and their role to try and help any child who may need someone to talk to that isn't a teacher.

7. News from the Surgery

On the coffee morning, which was held for CRY, over £500 was raised.

8. CRY 50/50 Club

Helen gave the group an update. People had suggested that £2 was too much so we have reduced it down to £1 a month but if people would like any more than one number they can.

All the paperwork is completed so we are hoping to start in January 2019.

9. Date of December Meeting

The group decided not to hold a meeting in December as the date fell too close to Christmas. The January meeting is going to be an open evening to try and increase numbers of the group. Alicia is going to promote this within the school and create posters to put up around the Village. This will be held on 16th January 2019.

10. Any other Important Business

No other business. The meeting closed at 7pm.
