6. News from the Surgery

The CRY weekend was a very good weekend.

7. Update on Rotherham PPG Network Meeting

The meeting took place on the 4th September at the Carlton Park Hotel.

There was a low attendance to the meeting and they are considering holding the meeting later in September next year. They welcomed thoughts and feedback from PPGs.

The notes from the meeting were provided to the group.

One comment made was the timings of the meetings are excluding people wanting to attend such as people who work, or have children to pick up from school or even attending school. The group agreed on this comment.

The next network meeting is being held in November. Any thoughts wanted to be passed on at this meeting need to be passed to Keith.

8. CRY 50/50

CRY have given the ok to start the 50/50 and are happy with the rules. The group will use the PPG account until another account is set up. We are hoping to promote the 50/50 at the flu weekend coming up and hand out forms to anyone who may be

interested. They will be given the choice of paying monthly or yearly and by cash or cheque.

Also there will be a reminder at the flu weekend about the books for CRY.

9. Any Other Business

The question was asked about how often PPG's should hold meetings. The group discussed different ideas about whether or not to cut down on the amount of meetings we have as a group. However nothing can change until the AGM next year.

10. Next meeting 17th October 2018 at 6pm

The meeting closed at 6:40pm.
